Funds are generally received at the other financial institution within five to seven business days. Additional fees may be assessed by the receiving financial institution.

Please note:

The sender has the right to cancel a wire no later than 30 minutes after requesting the payment to receive a full refund plus fees. If the request is after 30 minutes, Navy Federal will submit a reversal request to the payee's financial institution and make every attempt to retrieve the funds; however, there is no guarantee that the funds will be returned. Once received by the payee and/or payee's financial institution, the reversal of the wire is at the discretion of the payee's financial institution. Navy Federal cannot guarantee the response time of the payee's financial institution, and fees may be assessed by other financial institutions if the reversal request is successful.
